PEOPLE OF ACTION

# Editor's Note

Dear Rotarians and Friends of Rotary,

As we arrive at December, we find ourselves at a meaningful crossroads—reflecting on the months behind us while looking ahead with hope and purpose. This season invites gratitude, generosity, and connection, values that sit at the very heart of Rotary.

Across our District, clubs have continued to turn compassion into action. From community service projects and youth initiatives to health, education, and peace-building efforts, your dedication has made a real difference in countless lives. December is a wonderful time to pause and acknowledge the collective impact of these efforts—and to thank every Rotarian, partner, and volunteer who has contributed their time, skills, and resources.

The holiday season also reminds us of the importance of unity and understanding. While we may celebrate in different ways, Rotary brings us together through shared values of service above self, goodwill, and fellowship. Let us carry this spirit into our clubs, our communities, and our families.

As we close the year, this is also an ideal moment to reflect on our goals, celebrate our achievements, and renew our commitment to the work still to be done. Whether through supporting The Rotary Foundation, mentoring young leaders, or simply extending kindness where it is needed most, every action counts.

On behalf of the District 3780 Newsletter team, we wish you and your loved ones a joyful, peaceful, and safe holiday season. May the new year bring fresh opportunities to serve, grow, and make an even greater impact—together.

Warm regards,

# MESSAGE *from our* **DISTRICT GOVERNOR**

My dear Fellow Rotarians,

As we enter the Christmas season, may we take a moment to pause, reflect, and refocus on what truly matters: compassion, generosity, and service to others. This season of giving reminds us why we chose Rotary: to serve with purpose and to uplift lives with kindness and hope.

December also marks Disease Prevention and Treatment Month in Rotary. It is a timely reminder that our commitment to service extends beyond celebration and into meaningful action. This month, our district proudly partners with organizations working tirelessly to eradicate tuberculosis and HIV/AIDS, two diseases that continue to affect many of our communities. Through education, awareness, prevention programs, and collaboration, Rotary continues to play a vital role in protecting lives and promoting healthier communities.

**Service Above Self is not just a motto—it is a way of life, especially in a season that calls us to serve with compassion, generosity, and hope.**

*Veronica Yu*

Our collective efforts whether through service projects, partnerships, advocacy, or support demonstrate how Rotary helps make a real difference in addressing these critical health challenges. Together, we show that Service Above Self is not just a motto, but a way of life.

I extend my heartfelt gratitude to all Rotarians who continue to give their time, resources, and most importantly, their hearts, to serve those in need. Your dedication truly embodies the spirit of Rotary and the true meaning of Christmas.

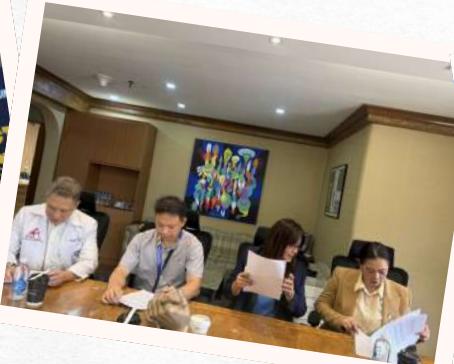

I would also like to take this opportunity to sincerely thank all Rotary officers and members who helped organize and attended our Christmas Party celebration. Your presence, support, and fellowship made the occasion meaningful and memorable, strengthening the bonds that unite us as one Rotary family.

May this season bring you and your families peace, joy, good health, and renewed inspiration to continue serving with love and unity.

Wishing you all a Merry Christmas and a meaningful season of service.

With gratitude and fellowship,

**Veronica Yu**

# Message from Rotary International President 2025-26

This month's special issue of *Rotary magazine* is all about happiness, that most elemental of human yearnings. More than a feeling, though, this state of positive well-being, and the conditions necessary to create and sustain it, should be considered a universal right.

December also marks Rotary's Disease Prevention and Treatment Month, when we highlight our members' work to promote health and wellness, including mental wellness. Globally, nearly 1 in 7 people have a mental health disorder, according to a recent World Health Organization report. Yet only 9 percent of people with depression receive adequate treatment.

We are fortunate in Rotary to have a powerful way to support emotional well-being and happiness: friendship. The connections we build in Rotary can be a powerful force for change. I know this from personal experience.

When my fellow members first proposed that I become club president, I demurred. I had a stutter. I was terrified of speaking. But having club members who supported me and surrounded me with affection enabled me to face my fear, and I found a way to stand confidently before a crowd.

Today, I regularly address audiences — some numbering in the thousands — in a language that is not native to me. The Rotary members in my life helped me create lasting change within myself.

That fellowship gives us the courage and means to create lasting change in the world as well, and mental health services are in desperate need of improvement. The WHO reports that governments on average devote only 2 percent of their health budgets to mental health, and only 11 percent of that funding reaches community-based services. In some countries, only one trained mental health professional is available for every 100,000 people. The WHO has called for strategic and urgent action to close the gap.

Rotary can answer that call by championing mental health awareness in our clubs, working with local health systems, funding training for community health workers, and supporting initiatives that bring care to places where none exists. Even small investments in mental health yield enormous returns in productivity, public health, and happiness.

While we are creating lasting change in the world, we cannot forget to take care of each other. Past RI President Gordon McInally wisely reminds us that we must go beyond asking, "How are you?" We owe it to each other to instead ask, "How are you *really*?"

As we transition to a new year filled with new possibilities, let us *Unite for Good* — for healing, friendship, and access to happiness.

# *Message from Trustee Chair 2025-26*

As 2020-21 Rotary president, I shared our hopes for a new initiative: Programs of Scale. The seeds we planted then are now bearing remarkable fruit.

After the success of Rotary's first Programs of Scale grant recipient, Partners for a Malaria-Free Zambia, the Gates Foundation and World Vision approached us to do more and bigger projects. They know Rotary can make great things happen. From that partnership grew the Rotary Healthy Communities Challenge, now Rotary's most significant disease prevention initiative after polio eradication.

The Healthy Communities Challenge aims to combat pneumonia, malaria, and diarrheal diseases, the leading killers of children under 5 in many parts of Africa. Despite progress, these diseases still claim 1 million young lives annually.

This strategic partnership between The Rotary Foundation, the Gates Foundation, World Vision, and PATH, a global nonprofit dedicated to health equity, is now saving lives in the Democratic Republic of Congo, Mozambique, Nigeria, and Zambia.

Let us not forget that our partnerships are made up of people — volunteers, Rotary members, and professionals — striving to make a difference. One of them is Gisela Bettencourt Mirção, of the Rotary Club of Chimoio-Planalto, Mozambique, Healthy Communities Challenge national coordinator and assistant governor for District 9210, who reports:

In Mozambique, preventable diseases remain leading causes of death of children.

With support from our partners, District 9210, and the Ministry of Health, the Healthy Communities Challenge mobilizes resources, technical expertise, and volunteers to strengthen community health systems in two provinces in the country's west.

Community health workers are trained to deliver lifesaving education, prevention tools, and early treatment to families in hard-to-reach areas. The program expands access to testing, diagnosis, and treatment, ensuring children receive timely care. Rotary coordinates advocacy, procures essential supplies, and ensures local ownership alongside government health structures. In its first year, the Healthy Communities Challenge reached thousands of households across four districts, supporting more than 4,400 community health workers to protect children.

I have been involved since the planning stages, but I hadn't grasped the true impact until seeing it firsthand.

Through the Healthy Communities Challenge, Programs of Scale, and polio eradication, Rotary proves that partnerships, community engagement, and vision can transform global health and save lives. Your support of The Rotary Foundation makes you part of this life-changing work.

# RC KAMUNING CENTRAL: ROOF OF HOPE AND SUSTAINABILITY

BY ROTARY CLUB OF KAMUNING CENTRAL

The Rotary Clubs of Kamuning Central and Raha Sulayman (District 3810) joined forces to embody the Rotary spirit of “Service Above Self” by supporting their adopted beneficiary, ChildHaus, in Quezon City.

What initially seemed like a daunting challenge became a reality through the quiet power of generosity. Under the Roof of Hope and Sustainability project, the clubs implemented key improvements: the roof was replaced, ceilings were reinforced, and plumbing systems were repaired. These efforts not only enhanced the facility’s safety and functionality but also restored comfort and dignity to a space that nurtures countless fragile dreams.

The project is a testament to the impact of collective action. When individuals unite for a common purpose, even small gestures can create meaningful, lasting change. For ChildHaus, the improvements symbolize more than structural repairs—they reflect hope, resilience, and the unwavering commitment of the Rotary community to uplift lives.

As UFG Frederick Flores notes, the initiative underscores that true service goes beyond material contributions; it transforms communities, strengthens bonds, and inspires others to act in service of humanity.

# ART IN ACTION: RC WEST TRIANGLE INSPIRES UNITY THROUGH CREATIVITY

BY MARC AVILES OF THE ROTARY CLUB OF WEST TRIANGLE

The Rotary Club of West Triangle brought art to life through its meaningful initiative, the "Unite For Good" Art Work Contest, held at San Juan National High School in San Juan City. This inspiring event demonstrated how creativity can become a powerful medium for unity, service, and positive change.

A total of 30 talented students participated, exploring their ideas and emotions through artworks that reflected the values of goodwill, compassion, and collaboration. From these entries, three exceptional winners were chosen, along with seven consolation prize recipients, who were awarded cash prizes in recognition of their creativity, dedication, and interpretation of the contest's theme.

The contest aimed to give students an opportunity to showcase their artistic talents while gaining a deeper understanding of Rotary's mission and purpose. It also helped develop awareness of the club's commitment to community service, leadership, and humanitarian initiatives. The winning artwork will also serve as the club's team shirt design, symbolizing the shared commitment of Rotarians and youth toward community service and collective purpose.

Rotary Club of West Triangle President Marc Aviles expressed, "Through art, we see how the youth can inspire positive change and reflect the true essence of service and unity."

This initiative truly embodied "Art in Action," transforming creativity into a bridge for service, connection, and compassion, upholding Rotary's enduring mission of "Service Above Self."

# RC BIAK NA BATO DONATES TABLETS TO SUPPORT LEARNERS AT AGUINALDO ELEMENTARY SCHOOL

BY ROTARY CLUB OF BIAK NA BATO

In a bid to support digital learning and enhance access to technology in public education, the Rotary Club of Biak na Bato donated ten Cherry Mobile tablets to Aguinaldo Elementary School on Tuesday, October 21, 2025.

The donation is designed to assist students in academic research and digital learning activities, especially at a time when access to online educational resources is more crucial than ever. The tablets will be integrated into the school's learning resource center and made available to learners for research, project development, and supplementary education.

The turnover ceremony was attended by members of the Rotary Club, school administrators, teachers, and selected students. Rotary Club President Jojo Ablog shared that the initiative reflects the club's ongoing commitment to supporting education and youth development in local communities.

"We believe that empowering students with the right tools can make a lasting impact on their learning journey. These tablets will hopefully open new doors for them to explore, learn, and thrive in this digital age," said Ablog.

School officials, PTA officers, teachers, and students expressed heartfelt gratitude for the generous contribution, noting that the devices will significantly aid learners who may not otherwise have access to such technology at home.

This initiative aligns with Rotary International's focus on Basic Education and Literacy and reflects the club's mission to serve and uplift local communities through sustainable, meaningful projects.

# RC ROOSEVELT CHAMPIONS PEACEBUILDING AND CONFLICT PREVENTION WITH GK SAN ROSE COMMUNITY SEMINAR

BY ROTARY CLUB OF ROOSEVELT

The Rotary Club of Roosevelt kicked off the fiesta celebration of the GK San Rose community with a meaningful peacebuilding seminar led by PSSg. Melvin Echalue of the Manila Police District. He shared practical approaches to resolving conflict, improving communication, and strengthening neighborhood relationships—an inspiring reflection of Rotary's commitment to fostering lasting peace.

A dynamic question-and-answer segment encouraged residents to engage directly with the speaker, ask thoughtful questions, and connect the discussion to real-life situations. This interactive session deepened understanding and helped translate peacebuilding principles into actions the community can apply daily.

As part of the celebration, local athletes received basketball jerseys, which they proudly wore throughout the event, adding color, unity, and renewed community spirit while reinforcing camaraderie. The program also featured RC Roosevelt's own PMSC Dave Peciller, who presented the Rotary 4-Way Test and highlighted its role as a moral compass, inspiring integrity, fairness, and goodwill in both personal and community decisions.

This initiative, made possible through the efforts of RC Roosevelt, Gawad Kalinga, and Cxperts, embodied Rotary's call to "Unite for Good," demonstrating how service and partnerships strengthen communities—and how the impact of peacebuilding grows strongest when it begins within the community.

# RC CUBAO SOUTH LEADS RIVER CLEAN-UP AND COMMUNITY OUTREACH

BY ROTARY CLUB OF CUBAO SOUTH

On November 25, 2025, the Rotary Club of Cubao South reaffirmed its enduring commitment to environmental protection through a meaningful River Clean-Up Drive along the Pateros-Taguig River. Rotarians worked side by side to restore the waterway's natural beauty, demonstrating that even simple acts of service can create lasting ripples of change for communities and future generations.

Beyond environmental stewardship, the club extended its compassion to the residents of Comembo, Taguig City. Thanks to the generosity of Past President Tony Cuenca, 60 grocery packs were distributed to indigent families, bringing smiles, gratitude, and hope. The warm interaction between Rotarians and community members reflected Rotary's enduring heart for humanity.

This impactful initiative was further strengthened by the support of Barangay Captain Edgardo Cleofas and Kagawad Jonav Navalta, whose partnership ensured the activity's success.

Together, the club continues to serve with purpose—protecting nature, uplifting communities, and creating lasting change.

# RC KAMUNING: HONORING SERVICE, INSPIRING PARTNERSHIP AT TALA HOSPITAL

BY ROTARY CLUB OF KAMUNING

On November 21, 2025, the Rotary Club of Kamuning visited Dr. Jose N. Rodriguez Memorial Hospital—commonly known as TALA Hospital—to recognize a remarkable partner in service and explore future collaborations. Club President, together with Past President Bryan, Rtn. Maverick, and Treasurer Paul, personally presented the Honorary Membership Certificate to Dr. Famaran in appreciation of his unwavering dedication to healthcare and support for Rotary's mission.

The visit was more than ceremonial; it sparked meaningful discussions on how the club could support the hospital through future service projects. Hospital staff and club officers exchanged ideas focused on areas such as disease prevention and treatment, maternal and child health, and the welfare of both patients and medical frontliners. These initiatives align with Rotary's seven areas of focus and reflect the club's deep commitment to sustainable community impact.

This initiative embodies the Rotary Club of Kamuning's dedication to the annual theme, Unite for Good. By honoring local heroes and fostering partnerships, the club continues to turn recognition into action. The seeds planted during this visit are expected to grow into life-changing projects that uplift lives and bring hope to communities in need.

# BRIDGING CULTURES, BUILDING FRIENDSHIPS, AND UNITED IN SERVICE: RC KAGITINGANG CUBAO'S SISTERHOOD AGREEMENTS

BY FLORENCE "RENZ" DAUZ OF THE ROTARY CLUB OF KAGITINANG CUBAO

The Rotary Club of Kagitingang Cubao, District 3780, strengthened its bonds with two sister clubs in November. On November 20, 2025, the club renewed its sisterhood agreement with the Rotary Club of Gong-Ju Central, District 3680, Korea, reaffirming a shared commitment to friendship and service. The event was witnessed by members of both clubs and PDG Edgardo Ayento of D3780. Members of RC Gong-Ju Central traveled all the way from Korea to the Philippines, highlighting a flourishing relationship that has been growing since 2021.

Just four days later, on November 24, during the club's 25th Charter Anniversary, the Rotary Club of Kagitingang Cubao signed a new sisterhood agreement with the Rotary Club of Baguio North, District 3790. The signing was witnessed by Governor Dan Torres of D3790 and other guests, marking the beginning of another promising partnership.

These agreements reflect the club's dedication to building bridges across cultures and serving humanity. RC Kagitingang Cubao looks forward to many more collaborations and shared successes with its sister clubs. Through these partnerships, the club aims to create a lasting impact in communities both locally and globally.

# ONE COMMUNITY, ONE HEARTBEAT: RC SAN FRANCISCO DEL MONTE IN ACTION

BY ROTARY CLUB OF SAN FRANCISCO DEL MONTE

On November 4, 2025, the Rotary Club of San Francisco del Monte responded swiftly to a fire incident at 79 San Antonio Street, Quezon City, through #Bangon79SanAntonioHawakKamay. In partnership with the Rotary Community Corps, led by President Rutchie Valdepeña, relief aid reached 66 affected families, including infants, seniors, solo parents, and persons with disabilities. The presence of UFG President Perry Dominguez, PP Mackie Hermosa, Rtn. Kap Junn Sta. Maria, and RCSFDMMA President Lance Sta. Maria reinforced the club's commitment to its adopted barangay, ensuring hope and assistance reached every survivor.

Just days later, on November 16, 2025, the club continued its mission of service through a Triple Mission Outreach at Teresa National High School in Bagumbayan, Teresa, Rizal, in partnership with the JONEG Foundation, led by PP Jojo and Reggie Negapatan. The initiative provided over 120 dental extractions, 115 medical consultations, and 130 optical screenings, with 120 free eyeglasses distributed. The day concluded with gift bags for 100 young learners, spreading joy and early Christmas cheer.

Across both efforts, Rotary demonstrated that compassion in action creates real change. Two missions, one purpose: uplifting communities with dignity, heart, and hope.

# RC COSMOPOLITAN CUBAO BRINGS HOPE AND JOY TO SITIO KAWAYAN, MARUGLO

BY ROTARY CLUB OF COSMOPOLITAN CUBAO

The Rotary Club of Cosmopolitan Cubao first visited the beautiful community of Sitio Kawayan, Brgy. Maruglo, Capaz, Tarlac in 2020, spearheaded by IPP Benjamin V. Ganapin Jr. in partnership with BVG Foundation Inc. The club was introduced to the community by Mrs. Maricris Ganapin, spouse of IPP Benjie, who had been actively involved in outreach ministry even before joining Rotary.

The journey was challenging, requiring the crossing of 14 rivers and navigating rocky terrain. Armed with the hope of bringing not only food but also the joy of fellowship, the club returned to Brgy. Maruglo on **November 8, 2025**. Activities included singing, dancing, magic and puppet shows, storytelling, sports, and sharing the Word. The club also distributed gifts, rice, bread, coffee, and toys, creating moments of joy and laughter for all.

The day was truly memorable, highlighted by the presence of UFG President Cecyl Aveno, IPP Benjamin V. Ganapin Jr., club members and their families, Bisyong Pagnenegosyo members, and BVG Foundation scholars. The RC Cosmopolitan Cubao End Polio and Santa Mascot brought delight not only to the children but to the entire community. Hearts were full, and gratitude overflowed for the opportunity to serve and bring happiness to Sitio Kawayan.

# RC NEW MURPHY RAISES ENVIRONMENTAL AWARENESS THROUGH PASIG RIVER CLEAN-UP DRIVE

BY ROTARY CLUB OF NEW MURPHY

In a collective effort to protect the environment, the Rotary Club of New Murphy Cubao and Rotary Community Corps “Unite for Good Friends” joined forces with barangay volunteers to clean up areas surrounding the Pasig River on September 19, 2025. This program, organized by the BBMP group (Bayanihan sa Pasig River), took place at Barangay 836.

Led by UFG President Arden Tiong, alongside President-Elect Anabelle Ariones, Community Service Chair Ciriaco Ladera Jr., and Treasurer Tomas Tecson, the initiative showcased the club's and RCC's dedication to community service. Government agencies, including the MMDA (Metro Manila Development Authority), also participated in the program. Collected garbage and plastics were immediately transported by Leonel Garbage Dump Truck for proper disposal.

Regular clean-up drives along the Pasig River aim to mitigate flooding, protect waterways, and promote community well-being. Millions of residents benefit from these efforts. Initiatives like this foster volunteerism, teamwork, environmental stewardship, and a sense of responsibility among participants.

The Rotary Club of New Murphy Cubao is proud to contribute to this impactful program, promoting environmental sustainability and inspiring communities to care for nature.

# RID 3780 LEADERS UNITED IN PURPOSE, STRENGTHENED IN SERVICE

*Unite for Good Presidents' 2nd Meeting, District Legislative Assembly,  
and 2nd Assistant Governors' Meeting*

The spirit of unity and purposeful leadership was on full display as Rotary International District 3780's Unite for Good (UFG) leaders gathered for two significant district-wide engagements this November—milestones that reaffirmed shared values, celebrated progress, and set a confident course for the months ahead.

On November 15, the Unite for Good Presidents' 2nd Meeting convened in the morning at the OCESPO Multi-purpose Hall, Camp BGen Rafael T. Crame, Quezon City, followed by the District Legislative Assembly (DLA) in the afternoon. The gathering brought together club presidents, officers, and Rotarians under the leadership of District Governor Veronica Yu, fostering an atmosphere of collaboration and renewed commitment.

During the meeting, District Governor Yu presented the district's second-quarter accomplishments covering the first 120 days—a testament to the dedication, heart, and unity of every club and Rotarian. Highlights included notable membership growth, strong club participation, and the active engagement of Zone 10A in the Public Image Monthly People of Action Photo Contest. The district also celebrated its generous support for The Rotary Foundation and PolioPlus, alongside the achievement of 100% MyRotary registration of clubs, the continued strength of EREY clubs, and the rollout of clear, inspiring guidelines for the District Awards. Collectively, these milestones underscored what can be achieved when the district moves forward with shared purpose.

Momentum continued on November 29 with the 2nd Assistant Governors' Meeting, held from 5:00 p.m. to 8:00 p.m. at the Encabo Room, Rotary Center, Quezon City. Attended by Senior Assistant Governors, Assistant Governors, and other District Officers, the meeting, again headed by District Governor Veronica Yu, focused on club and district updates, as well as open sharing of concerns and constructive suggestions. In their vital role as links between clubs and the district, the Assistant Governors provided grounded insights and practical perspectives, ensuring that grassroots realities inform district strategies.

Together, these gatherings reflected a district that listens, leads, and acts; united for good, aligned in vision, and steadfast in service. As District 3780 moves forward, it does so with strengthened leadership, clearer direction, and a collective resolve to serve with impact and heart.

The District Legislative Assembly (DLA) serves as a vital democratic platform within Rotary, where proposed enactments and resolutions from clubs are discussed and reviewed. It prepares club representatives to thoughtfully vote on key issues that shape the future of Rotary. By equipping leaders with a clear understanding of these proposed changes, the DLA ensures that local club voices are heard and reflected in Rotary's evolving policies, reinforcing the organization's commitment to relevance, inclusivity, and responsive governance.

# RID 3780 STRENGTHENING PARTNERSHIPS FOR SERVICE AND IMPACT

*Rotary District 3780 Advances Health, Empowerment, and Collaboration Through Landmark Agreements*

In a clear demonstration of its commitment to purposeful partnerships and sustainable service, Rotary International District 3780 marked November 20 with the signing of two significant Memoranda of Understanding, both held at the Rotary Center. These back-to-back agreements underscored the district's strategic approach to empowering Rotarians—economically and socially—while expanding its reach in addressing critical community concerns.

The day began with the signing of a Memorandum of Agreement between Rotary District 3780 and the First Rotary Credit Cooperative (FRCC). Designed as a savings and credit cooperative, FRCC was established to provide micro and small loans as well as investment opportunities exclusively for Rotarians who choose to become members. This initiative aims to strengthen financial resilience within the Rotary community, supporting entrepreneurial efforts and promoting responsible financial growth among its members.

The agreement was led by District Governor Veronica Yu, with the support of Past District Governor Jess Cifra and District Service Project Chair Past President Jules Chanco, whose collective efforts helped bring this forward-looking endeavor to fruition. The partnership with FRCC reflects the district's belief that empowering Rotarians economically enhances their capacity to serve more effectively and sustainably.

Later that afternoon, the district further reinforced its commitment to community health with the second signing of a Memorandum of Understanding between Rotary District 3780 and TBPeople Philippines Inc. The partnership aligns with Rotary's global focus on disease prevention and treatment, uniting both organizations in the shared mission to end tuberculosis through awareness, advocacy, and collaborative action.

The district's momentum continued into December. On December 1, shortly after returning from Kuala Lumpur, Rotary District 3780, led by District Governor Veronica Yu, signed another Memorandum of Agreement, this time with World Citi Medical Center. Timed meaningfully on World AIDS Day, the partnership highlights the district's sustained focus on health advocacy and collaboration with key medical institutions to address critical health challenges affecting communities.

Present at the signing were District Governor Veronica Yu, District Governor-Elect Rhyan Virrey, District Governor-Nominee Ma. Lourdes Alvarez, Past President Jules Chanco, Service Project Chair, and Ma. Eloisa Zepeda-Teng, President of TBPeople Philippines Inc. Their presence highlighted the continuity of leadership and the district's long-term commitment to impactful health initiatives. The agreement resonated with a powerful call to action: "Let us End TB now!"

These agreements illustrate Rotary District 3780's comprehensive and strategic approach to service—balancing member empowerment with strong, outward-facing partnerships in health and social development. By forging meaningful alliances grounded in shared purpose, the district

# ROTARY YOUTH CULINARY CHALLENGE 2025: YOUNG CHEFS SHINE AT G.I.S.T.

BY AYA NICOLE CORPUS OF THE ROTARY CLUB OF PAG-ASA

The inaugural Rotary Youth Culinary Challenge 2025, organized by the District Vocational Service Committee of Rotary International District 3780 and hosted by the Rotary Club of Pag-Asa QC, took center stage on November 22, 2025 at the Gateway Institute of Science and Technology (G.I.S.T.). Guided by Committee Chair Jose "Joemon" Montenegro and Charter President Gary Ting, the event celebrated young culinary talents from adopted schools across the district, combining creativity, discipline, and teamwork under the theme "From Roots to Recipes: Nourishing Futures, Sustaining Traditions."

Ten teams of two students and one coach each competed in two culinary challenges: the Bangus Challenge, emphasizing sustainability and resourcefulness, and the Chicken Challenge, which encouraged innovation in Filipino cuisine. Competitors had just one hour to prepare, cook, and plate their dishes, with exciting twists such as a Mystery Sponsored Ingredient introduced midway and One-Minute Coaching in the final ten minutes, testing adaptability, creativity, and composure under pressure.

The winners of the challenge were:

- Champion: Rotary Club of Metro Aurora – Kurt Cobain Bernabe & Bernadeth Guanzon (Don Alejandro Roces Sr. Science and Technology High School), coached by Phoebe Improso & Julie Sanico.
- 1st Runner-Up: Rotary Club of San Bartolome – Rachel Mae Junio & Ma Alicks Fortunato (North Fairview High School), coached by Rosalina Casem.
- 2nd Runner-Up: Rotary Club of Midtown Cubao – Alexxa Samson & Joshua Morales (Ernesto Rondon High School), coached by Jerry Lanzuela & Julita Peñamante.

# RC CAMP CRAME: ANSWERING THE CALL, TWICE

At every evacuation site and affected barangay, every distribution, and every moment of support carried a single message: help is here, and hope is on the way.
